## Individual Needs

At PGL we are continually working to enable all guests to enjoy the many benefits of our camp. If a member of your group has additional requirements, we will be pleased to discuss them with you.

So we can make a fair assessment of service provision and identify appropriate resources in relation to access, programming, successful participation and health and safety, we need you to provide us with full details as soon as possible.

Ensuring we can cater for the additional needs of an individual requires advanced notification, assessment, agreement and planning. We are only able to take responsibility for arrangements that have been discussed and agreed with us in advance.

## First Aid

Party Leaders and supervising adults are the primary first aid contacts, and remain responsible for administration of first aid for their group. PGL staff will assist with first aid as and when required.

The Party Leader is responsible for deciding whether a party member should be referred to a doctor or hospital, with the assistance of our qualified first aid staff. We may not always be able to provide a vehicle or to assist in transport arrangements. Payment for transport is the responsibility of the Party Leader.

## Code of Conduct

As part of our booking conditions, Party Leaders agree to maintain the discipline and supervision of their party. The following points further amplify our requirements and we would be grateful if you could ensure that your party members comply.

- We ask that party members show consideration for other parties they meet, as well as PGL staff, coach drivers and neighbouring residents.
- It is also important that they show respect for property - coaches, centre fabric and equipment, and all other property. Costs for intentional damage will normally be passed on to the party responsible.
- Party members should be aware of the curfew and restrict noise to a minimum during curfew hours.
- No smoking is permitted in the public areas of PGL camps or on coaches. It is strictly prohibited in all accommodation units and tents. Smoking is only allowed in designated areas.
- Party Leaders should not allow any underage possession or consumption of alcohol at PGL camps.
- Party members must not behave in an anti-social fashion, e.g. use offensive or insulting language, threatening behaviour or bullying.
- Theft or illegal activities will be reported to the police.
- Young people must not leave the camp unless accompanied by a supervising adult.
- Party members must follow the camping code of leaving no trace, treading lightly and protecting the native plants and animals.
