

Major Accident Procedure

PGL Campaspe Downs

If dealing with a major accident or suspected major accident you should:

- Stay calm
- Check for danger, remove or control it (if safe to do so)
- Ensure the rest of the group is safe
- Remain with the injured party and provide appropriate support
- Provide First Aid if qualified personnel are available
- If required, contact **Emergency Services** and use the information at the bottom of the page
- **Contact the Duty Manager** on **04 0426 8995** who will provide assistance and send an Emergency Management Coordinator to your location
- Think about the continued safety of the rest of the group, evacuate to a place of safety if necessary
- Follow instructions from the Emergency Management Coordinator
