Camp Tours

What makes a PGL Camp different?

At PGL we have designed our programs to give the best possible outcomes to your students, while also making it as easy as possible for teachers. We do this by offering:

Groupies

We know how an extra pair of hands can make all the difference to your camp experience, which is where our Group Leaders (or 'Groupies') come in. Each school is assigned their own 'Groupie' for the entire duration of your camp.

Your Groupie will meet your bus and take it from there! Every PGL experience starts with a welcome briefing from your Groupie, for teachers and the students.

Evening Entertainment

The fun doesn't end when the sun goes down! PGL take care of the evening entertainment each night you're on camp to take the pressure off you.

This could be anything from a photo challenge to a sports night or a campfire circle.

Instructor-led sessions

All activity sessions on a PGL Adventure Camp are 100% led by our instructors, taking the pressure off you and meaning that you are free to engage and bond with your students.

All activity instructors are specially trained for our programmes to ensure the delivery of safe and rewarding sessions.

WHAT TO expect from a PGL CAMP

What is the pre-arrival process and timeline?

PGL have many years of experience in running camps and we have this down to a fine art. We work together with teachers / group leaders to ensure that you (and we) have all of the information that we need to provide an outstanding camp experience.

We rely on teachers / group leaders to provide the information requested in a timely manner. Here is a guideline to our timeframes:

Individual Needs

PGL continually works to enable all guests to enjoy a PGL experience. Our Customer Relations team members will work with you to design a camp experience for all participants.

Ensuring we can cater for the additional needs of an individual requires advanced notification, assessment, agreement and planning. We are only able to take responsibility for arrangements that have been discussed and agreed with PGL in advance.

Keeping you safe

Managing risk

Safety is our highest priority at all our camps. All staff members are highly trained, and we regularly assess and improve our procedures and equipment.

Summary versions of risk assessments and our Code of Practice are available from our website:

www.pgladventurecamps.com.au/resources

Please contact us if you require more detail.

We can provide further information on emergency management, risk assessments and normal operating procedures, and our Child Safeguarding Policy.

PGL has comprehensive Public Liability Insurance. We recommend you consider purchasing travel insurance.

GUIDE TO ACTIVITIES

PGL will create the best possible program of activities for your group. The program will reflect your school's requests and learning objectives.

Each activity session runs for 90 minutes, and PGL will program the same activities on rotation for the whole group. All activities will be delivered by trained, skilled PGL activity instructors.

AEROBALL

A cross between trampolining, basketball and volleyball – it's an exhilarating, high-energy sport. Four players learn the basics required – then spring into action! The aim is to get the ball in the opposing player's net. As well as being lots of fun, your students will develop team tactics and improve communication skills along the way.

ARCHERY

Our qualified archery instructors teach basic archery skills – students will need accuracy, control and a steady hand. The instructors encourage students to develop their technique and show awareness of all safety measures.

BUSHCRAFT

Learn how to build a shelter in an on-site 'wilderness' environment and operate as a team. Basic survival skills such as building a shelter, water filtration, knot

craft and signalling are developed by the group during the design of their camp layout. Key responsibilities will be identified and shared by the team who work together to get the most from the 'wilderness' experience.

CANOEING

Experience one of our most popular activities and take to the water in a canoe. Challenging and fun, students learn and develop paddling techniques, teamwork and communication skills using a combination of games and instruction both on land and afloat.

CATAPULT

Participants plan, work together and communicate with each other in two teams to build a giant catapult with the components given. They are then used to aim at a target using teamwork, tactics and hand eye co-ordination.

FLYING FOX

Travelling at high speed suspended and harnessed from an overhead cable isn't something forgotten easily! Determination, courage and exceeding limitations are qualities often observed.

GIANT SWING

The ultimate test of nerve and joint decision-making! Members of the group haul the Giant Swing 10 metres into the air with two people in the harness. When both participants agree, they pull the ripcord and swing towards the ground at high speed. The question is...how high will you go?

INITIATIVE EXERCISE

Students participate individually and as part of a team to complete a number of mental challenges, some of which may also require some physical activity to complete. Planning, making decisions and communicating with each other are all skills required in order to accomplish a set task.

LOW ROPE COURSE

Less than a metre off the ground, this activity promotes teamwork and communication. Students negotiate a series of obstacles and challenges which are not as easy or as straightforward as they appear!

MUD RUN

A range of fun and exciting obstacles and challenges, some requiring team work or speed, others problem solving or agility.

ORIENTEERING

Students are introduced to practical map reading by working in small groups

on a number of courses. They may develop map reading skills by locating control points within the boundary of the centre. Decision-making, symbol recognition and judgement of distance travelled are all required.

POSSUM GLIDER

The team on the ground pull on a rope, raising the participant almost 15 metres off the ground and up into the tree canopy.

This activity is designed to put the participant outside their comfort zone as they swing around freely. It also encourages communication and teamwork among the rest of the team.

RAFT BUILDING

Build it well or you are likely to get wet! Promoting teamwork, planning and communication skills, students work together to build a raft from different components that will float and which they can steer.

TEAM CHALLENGE

A variety of fun adventure activities with physical challenges which require cooperation and participation from everybody in order to complete.

TREE CLIMB

Students will immerse themselves in the temperate rainforest environment of Camp Rumbug, climbing into the canopy of the tall Mountain Ash trees that grow there. Our instructors will help the group recognise and control risks, teaching the basic skills and techniques needed to climb high into the tree tops!

TRUST EXERCISES

Trust Exercises develop openness, understanding and mutual respect within the group and require strong communication skills and teamwork.

EVENING ENTERTAINMENT

Your PGL Group Leader (Groupie) will run evening entertainment activities for the whole group. Evening ents are fast-paced and designed to engage all participants. Some evening ents are listed below. Your Groupie will help you choose the right ent for your group during camp.

CAMPFIRE

(Held outside of fire restriction periods only)
Enjoy a traditional campfire run by our Groupies. Younger guests can enjoy songs and games while older guests can relax, share stories and reflect on their shared experiences of the day.

ALL AGES

PASSPORT TO THE WORLD

Guests are split into teams and given a list of national flags with a map. Each country on the map represents a plaque to find around centre. Each plaque features the country's flag and has a question relating to the country, which must be answered correctly before moving on to find the next flag and eventually returning to base.

AGE 9-11

ROBOT WARS

With a focus on teamwork and communication, guests are split into teams where one team member will be chosen to be dressed as a robot. The robots are created from cardboard and tape which are earned through challenges. Each team will then compete against each other in a Robot Wars tournament using water, to decide the overall winning team.

SPLASH

Each team completes a series of challenges or games in order to earn equipment. The teams then need to use this equipment to build a carrier to protect a water balloon. Great for problem solving, teamwork and communication.

AGE 7-11

CAPTURE THE FLAG

An inclusive, high-energy game in which teams work together to capture the opposing team's flag, while avoiding being captured or losing their own. The key to the game is pre-planning, communication and teamwork. The team capturing the other team's flag wins.

ALL AGES

QUIZ SHOW

In teams, guests are set Q&A-style challenges with lots of interaction and plenty of variety to keep them motivated and to maximise their participation. As well as general knowledge, rounds may include dressing up, dancing and miming.

ALL AGES

WACKY RACES

PGL's own Olympics - a collection of fun relay-style team and individual games designed for active participation by all team members.

ROLES AND RESPONSIBILITIES

The Party Leader is in loco parentis at all times and has ultimate sanction to withdraw children at any time from any program.

There should always be at least one adult from the visiting party available on camp outside sessions when young people are in residence.

Party Leaders are responsible for deciding educational objectives. PGL will advise how we can meet these. Party Leaders are responsible for the ongoing monitoring of guests' progress against these objectives.

The Party Leader's authority is delegated to PGL instructors during activity sessions. The PGL instructors have the right to withdraw an activity for safety or operational reasons.

A supervising adult must be present with each group during activities.

Evening activities & entertainment - PGL will lead evening entertainment, but the Party Leader is responsible for ensuring that at least one adult is present during all the evening entertainment/activity sessions to assist with supervision of the children.

To avoid any confusion, we seek to ensure a clear handover of responsibility for party members from Party Leaders to our staff and vice versa at appropriate points during the day.

The Party Leader is responsible for deciding whether a party member should be referred to a doctor or hospital, with the assistance of our qualified First Aid staff. We may not always be able to provide a vehicle or to assist in transport arrangements. Payment for transport arrangements is the responsibility of the Party Leader.

The Party Leader is responsible for notifying parents of any visit to a doctor, dentist, hospital visit, or other incident affecting a member of their group, if appropriate. He/she must therefore hold a list of contact numbers for next of kin or have 24 hour access to this information.

The Party Leaders and accompanying adults are responsible for ensuring their group adheres to the Code of Conduct.

PGL Group Leaders provide support to the Party Leader outside of session times. The Party Leaders escorting the group retain responsibility for their group's welfare and supervision. All medications required must be supplied and administered by the Party Leader.

Party Leaders and supervising adults are the primary First Aid contacts, and remain responsible for administration of First Aid for their group. PGL staff will assist with First Aid as and when required.

CODE OF CONDUCT

As part of our booking conditions, Party Leaders agree to maintain the discipline and supervision of their party. The following points further amplify our requirements and we would be grateful if you could ensure that your party members comply.

- We ask that party members show consideration for other parties they meet, as well as PGL staff, coach drivers and neighbouring residents.
- It is also important that they show respect for property - coaches, centre fabric and equipment, and all other property. Costs for intentional damage will normally be passed on to the party responsible.
- Party members should be aware of the curfew and restrict noise to a minimum during curfew hours.
- No smoking is permitted in the public areas of PGL camps or on coaches. It is strictly prohibited in all accommodation units and tents. Smoking is only allowed in designated areas.
- Party Leaders should not allow any underage possession or consumption of alcohol at PGL camps.
- Party members must not behave in an anti-social fashion, e.g. use offensive or insulting language, threatening behaviour or bullying.
- Theft or illegal activities will be reported to the police.
- Young people must not leave the camp unless accompanied by a supervising adult.
- Party members must follow the camping code of leaving no trace, treading lightly and protecting the native plants and animals.
- PGL reserves the right to send any party member(s) home for illegal activities, or consistent or gross misconduct. In such cases, the cost will be totally borne by the individual or party.
