At PGL we are continually working to enable all guests to enjoy the many benefits of our camp. If a member of your group has additional requirements, we will be pleased to discuss them with you. Ensuring we can cater for the additional needs of an individual requires advanced notification, assessment, agreement and planning. We are only able to take responsibility for arrangements that have been discussed and agreed with us in advance.

#### First Aid

Party Leaders and supervising adults are the primary first aid contacts, and remain responsible for administration of first aid for their group. PGL staff will assist with first aid as and when required. The Party Leader is responsible for deciding whether a party member should be referred to a doctor or hospital, with the assistance of our qualified first aid staff. We may not always be able to provide a vehicle or to assist in transport arrangements. Payment for transport is the responsibility of the Party Leader. As part of our booking conditions, Party Leaders agree to maintain the discipline and supervision of their party. The following points further amplify our requirements and we would be grateful if you could ensure that your party members comply.

### Safeguarding

We strongly recommend adhering to best practices by ensuring that all adults accompanying your group hold a valid Working With Children Check (WWC). Additionally, we advise having comprehensive risk assessments and Child Safe documentation in place to uphold the highest standards of safety and compliance for children and young people.

#### **Code of Conduct**

It is also important that they show respect for property - coaches, centre fabric and equipment, and all other property. Costs for intentional damage will normally be passed on to the party responsible.

Party members should be aware of the curfew and restrict noise to a minimum during curfew hours.
